

'Daniel Sloss: X' - after the success of his 2 hour-long Netflix specials 'DARK' & 'Jigsaw', and after selling out his 2018 shows in Vienna the stunning smash-hit show from Scotland's award-winning comedy star is back!

Currently making headlines around the world with this ground-breaking 10th solo show, Daniel has appeared on USA Tv's 'Conan' a record 10 times and sold out 11 consecutive Edinburgh Fringe seasons (the world's biggest arts festival where he's been one of the biggest comedy ticket sellers for the past 9 years). He has performed 4 solo off-Broadway seasons (including 30 New York shows in February 2019) and tours all over the world.

The "DANIEL SLOSS: X" tour will play over 250 performances with extra cities selling out as fast as they can be added and many cities begging him to return. Over the past few years he has toured across 35 countries, but since his Netflix shows are streaming in 190 countries (and in 26 languages!) there is still a bit of a way to go! We are delighted to welcome Daniel to Globe Wien.

Daniel's rave reviews from around the globe include:

'Smouldering... "X" is a stunner of a show... Deliciously dark stand-up'

★★★★★ (Mail on Sunday, UK)

'Hilarious... Devastatingly intelligent... Sloss is a festival highlight. See him!'
